GOVERNMENT OF RAJASTHAN

Department of Personnel (A)  
(C.R.Cell)

No. F8(52)Karmik/A-CR/72

17th April., 1973.

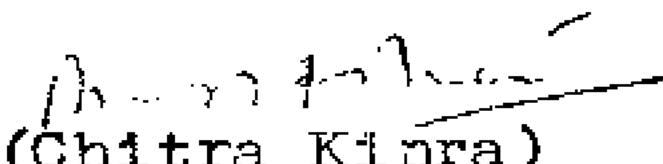

Sub:- Compulsory retirement of Government Servants under Rule 244(2) of R.S.R.  
- Verification of qualifying Service  
- Regarding.

.....

Instances have come to the notice of the Government that in certain cases the Appointing Authorities have not exercised due caution to ensure the verification of 25 years qualifying service of Government employees prior to placing their cases before the Screening Committees as required in this department Circulars No. F24(55)Apptt/A/57/PtI/GrI/CR dated 19th/26th April, 1972 and 19th June, 1972 or even before serving orders of compulsory retirement on the Government servants concerned.

Such lapses, while on the one hand, cause un-necessary hardships to the Government servant concerned, on the other Government is also subjected to considerable embarrassment, which could have been avoided had proper verification of the qualifying service rendered by the Government servant been got done before the meeting of the Screening Committee was fixed.

In order to avoid such un-pleasant situations in future, it is hereby enjoined upon all the Appointing Authorities concerned to ensure that proper verification of 25 years qualifying service is done before convening the meetings of the Screening Committee. In this connection it may be clarified here that while in case of officers of the State Services necessary verification should be got done from the Accountant General, Rajasthan, in respect of Subordinate/Ministerial Services verification should be done by the Appointing Authorities concerned themselves and in case of doubt only (indicating reasons) the matter may be got clarified from A.G. Rajasthan.
