Subject:- Knowledge Co-creation Programme (International Study Tour) -Call For Nominations

A(A)

Dear Sir/Madam,

su RPL 01/9/23

National Council for Training & Social Research (NCTSR) is an organization that was established under the Department of Labour, Government of the National Capital Territory (NCT) of Delhi. It operates as a registered entity under the Societies Registration Act XXI of 1860. NCTSR serves as a representative body for different sectors of the Indian industry. The primary objective of NCTSR is to provide training to officers belonging to the Central/State Government Service, as well as officers from other organized/subsidiary services that operate within the State and Central Government. This training aims to enhance the skills, knowledge, and capabilities of these officers, enabling them to perform their duties more effectively and efficiently. In essence, NCTSR plays a crucial role in the professional development of government officers, contributing to the overall improvement of administrative services within the central and state government.

31/8

In response to the demands of today's rapidly changing business environment, continuous evolution and enhancement of one's knowledge base are essential. While experiential learning remains invaluable, staying abreast of emerging technologies and best practices, particularly in technical realms, is imperative for project productivity and overall work effectiveness. We are thrilled to introduce our specialized program, the Study Tour for Construction Professionals, meticulously designed for executives and decision-makers in various sectors including local, state, and central government, as well as the corporate sphere. By facilitating international tours, our program aims to provide participants with a comprehensive understanding of cutting-edge practices and innovations globally. As India positions itself on the global stage, this initiative is poised to empower participants with the insights and exposure required to contribute effectively to the nation's growth.

The Capacity Building program, facilitated through Technical Cooperation Programs with various governments and international partners, encompasses a diverse range of thematic areas aimed at enhancing leadership, managerial skills, and business administration. The program addresses critical global challenges while emphasizing the development of "Smart and Sustainable Cities." It offers a comprehensive array of training initiatives, spanning disciplines such as Seismology, Earthquake Engineering, Tsunami Disaster Mitigation, Operation and Maintenance of Urban Water Supply Systems, Public Health, Food Security, Civil Supplies, Disaster Risk Reduction, Infrastructure Development, Gender Mainstreaming Policies, Renewable Energy, and Forestry Management. Through these initiatives, participants gain valuable insights into modern management practices, enabling them to effectively contribute to the growth and sustainability of urban centers. The collaboration with governments from Europe, UAE, Russia, Japan, and Southeast Asian countries underscores the international nature of this endeavor, fostering cross-cultural learning and knowledge exchange to address the complex challenges of our rapidly evolving world.

GENERAL INSTRUCTIONS .

- Please ensure that candidate names and passport photocopies are submitted at least 45 days in advance. This allows the National Council for Training & Social Research (NCTSR) to make necessary arrangements for travel, accommodations, faculty booking, visa processing, and program planning.
- For accompanying spouse and/or children (aged 5 to 12 and above), the estimated charges for the entire duration will be INR 3,69,000 plus 18% GST. Payment should be made in advance to NCTSR.
- Nominations will be accepted based on seat availability and receipt of the participation fee by the specified deadline.
- Please be aware that NCTSR will not provide accommodations before or after the designated program dates. Participants needing extended stays must arrange accommodations independently.
- The participation fee is non-refundable. However, substitutions can be made or fees adjusted for future nominations.
- Due to limited seats, it is advisable to submit nominations using the attached format as soon as possible to ensure availability. Nominations will be accepted based on seat availability and timely payment.
- Participants must carry their ID cards and relevant letters/orders from their department for program attendance.
- Participants are responsible for their health and safety during the study tour. NCTSR is not liable for participants' medical expenses incurred during the program.
- Participants will be required to settle additional bills directly with the hotel, such as those for family members, laundry, telephone, minibar, room service, and overstay, before checking out.
- Successful participants will receive a Certificate of Participation upon program completion.
- An optional Business Class airfare add-on is available upon request for an extra charge of INR 1,96,000.000. Top of Form

The Council strongly encourages potential participants and their respective management teams to proactively communicate in advance. You can specify any specific issues or areas of concern that you would like to see covered in the course materials or addressed during
