Greeting From National Council For Training & Social Research!

Subject:- Knowledge Co-creation Programme (International Study Tour) -Call For Nominations

Dear Sir/Madam,

I hope this message finds you well. I am writing on behalf of the National Council for Training & Social Research (NCTSR), and we highly value our collaboration with your esteemed organization.

NCTSR is pleased to introduce two significant programs aimed at fostering professional development:

Our Knowledge Co-creation Programme (International Study Tour) is meticulously designed for executives and decision-makers from various sectors.

This program provides invaluable insights into global best practices and innovations, equipping participants to contribute effectively to India's

growth on the international stage. In addition, our Executive Development Programme offers concise yet comprehensive training opportunities,

tailor-made for busy professionals. These programs ensure that participants stay updated with the latest advancements in their respective fields

and enhance their managerial skills effectively.

We have attached detailed information about these programs, and we warmly invite nominations from your organization.

Your participation would greatly

enrich these initiatives.

Should you have any questions or require further information, please do not hesitate to contact us. Your continued support is highly appreciated.

Thanking You

Regards

For National Council for Training & Social Research

Subject:- Capacity Building Onsite Training programs for Engineers & Admin staff

Dear Sir/Madam,

National Council for Training & Social Research (NCTSR) (Established by Govt. of NCT of Delhi, Labour Department). NCTSR serves as a autonomous body for different sectors of the Indian industry. The primary objective of NCTSR is to provide training to officers belonging to the Central/State Government Service, as well as officers from other organized/subsidiary services that operate within the State and Central Government. This training aims to enhance the skills, knowledge, and capabilities of these officers, enabling them to perform their duties more effectively and efficiently. In essence, NCTSR plays a crucial role in the professional development of government officers, contributing to the overall improvement of administrative services within the central and state government. .

Capacity Building for better cities is the effort to strengthen and improve the abilities of personnel and organizations to be able to perform their tasks in a more effective, efficient and sustainable manner. It needs to be appreciated that capacity building is a long term and ongoing effort which needs to be institutionalised in the planning and implementation process starting from the ULB to state to the central level programs. Capacity Building needs to be a continuous and ongoing initiative whose aim is to improve and facilitate the skill sets and processes involving human and other perceivable inputs. There is a need to calibrate and benchmark continuously against measurable indicators over a period of time in order to make course corrections to achieve the desired results . These training topics hold significant relevance for modern government operations. Office Systems and E-Governance are crucial for streamlining administrative processes and embracing technology-driven citizen services. Stress Management ensures the mental and emotional health of government officials, translating to better decision-making. Project and Financial Management are essential for efficient resource allocation and successful project execution. Quality Control maintains high standards in government projects, while Record and Database Management facilitate informed decisions and transparency. Change Management enables smooth transitions, and Gender Sensitivity fosters an inclusive workplace. Leadership, Public Procurement, and Contract Management are vital for effective governance, and understanding the Right to Information Act ensures transparency. Digital Transformation enhances service delivery, and Hazardous Waste Management aligns with environmental goals. Overall, these topics collectively empower government employees, promote ethical practices, and elevate the efficiency and accountability of public service endeavors. .

The objective of Capacity Building programme as emphasised are:

- Professionalizing urban management through creation of a municipal cadre, city managers who can manage and govern cities especially in urban planning, E-governance / IT, municipal infrastructure and service delivery.
- Enhancing capacities/supply side/agencies to provide state of the art skills and resources to meet required demands of city managers and associated agencies thereby enhancing their capacities to improve city management, governance reforms, municipal infrastructure and service delivery.
- Institutionalise the use of appropriate tools and processes to enable better planning and implementation of municipal infrastructure, service delivery and governance reforms.

The Executive Development Programs offered by the National Center for Training and Social Research (NCTSR) are rooted in a philosophy of continual learning, making them highly suitable for busy working executives. These programs are specifically designed to cater to the needs of professionals who face time constraints and challenges in enrolling for traditional lengthy courses. They serve as a valuable opportunity for individuals who have been unable to access up-to-date managerial tools and techniques through formal education. By delivering concise yet comprehensive content, NCTSR's Executive Development Programs enable participants to stay updated with the latest advancements in the business world and enhance their managerial skills effectively. .

These training topics hold significant relevance for modern government operations. Office Systems and E-Governance are crucial for streamlining administrative processes and embracing technology-driven citizen services. Subject:- Knowledge Co-creation Programme (International Study Tour) -Call For Nominations

Dear Sir/Madam,

National Council for Training & Social Research (NCTSR) (Established by Govt. of NCT of Delhi, Labour Department). NCTSR serves as a autonomous body for different sectors of the Indian industry. The primary objective of NCTSR is to provide training to officers belonging to the Central/State Government Service, as well as officers from other organized/subsidiary services that operate within the State and Central Government. This training aims to enhance the skills, knowledge, and capabilities of these officers, enabling them to perform their duties more effectively and efficiently. In essence, NCTSR plays a crucial role in the professional development of government officers, contributing to the overall improvement of administrative services within the central and state government.

In response to the demands of today's rapidly changing business environment, continuous evolution and enhancement of one's knowledge base are essential. While experiential learning remains invaluable, staying abreast of emerging technologies and best practices, particularly in technical realms, is imperative for project productivity and overall work effectiveness. We are thrilled to introduce our specialized program, the Study Tour for Construction Professionals, meticulously designed for executives and decision-makers in various sectors including local, state, and central government, as well as the corporate sphere. By facilitating international tours, our program aims to provide participants with a comprehensive understanding of cutting-edge practices and innovations globally. As India positions itself on the global stage, this initiative is poised to empower participants with the insights and exposure required to contribute effectively to the nation's growth.

The Capacity Building program, facilitated through Technical Cooperation Programs with various governments and international partners, encompasses a diverse range of thematic areas aimed at enhancing leadership, managerial skills, and business administration. The program addresses critical global challenges while emphasizing the development of "Smart and Sustainable Cities." It offers a comprehensive array of training initiatives, spanning disciplines such as Seismology, Earthquake Engineering, Tsunami Disaster Mitigation, Operation and Maintenance of Urban Water Supply Systems, Public Health, Food Security, Civil Supplies, Disaster Risk Reduction, Infrastructure Development, Gender Mainstreaming Policies, Renewable Energy, and Forestry Management. Through these initiatives, participants gain valuable insights into modern management practices, enabling them to effectively contribute to the growth and sustainability of urban centers. The collaboration with governments from Europe, UAE, Russia, Japan, and Southeast Asian countries underscores the international nature of this endeavor, fostering cross-cultural learning and knowledge exchange to address the complex challenges of our rapidly evolving world.

NCTSR has planned to organise the international study tours on different topics in below mentioned cities

In addition to the above programme other customized international study tour programs to the destinations of choice can be organized.

GENERAL INSTRUCTIONS .

- Ø Please ensure that candidate names and passport photocopies are submitted at least 45 days in advance. This allows the National Council for Training & Social Research (NCTSR) to make necessary arrangements for travel, accommodations, faculty booking, visa processing, and program planning.
- Ø For accompanying spouse and/or children (aged 5 to 12 and above), the estimated charges for the entire duration will be INR 3,69,000 plus 18% GST. Payment should be made in advance to NCTSR.
- Ø Nominations will be accepted based on seat availability and receipt of the participation fee by the specified deadline.
- Ø Please be aware that NCTSR will not provide accommodations before or after the designated program dates. Participants needing extended stays must arrange accommodations independently.
- Ø The participation fee is non-refundable. However, substitutions can be made or fees adjusted for future nominations.
- Ø Due to limited seats, it is advisable to submit nominations using the attached format as soon as possible to ensure availability. Nominations will be accepted based on seat availability and timely payment.
- Ø Participants must carry their ID cards and relevant letters/orders from their department for program attendance.
- Ø Participants are responsible for their health and safety during the study tour. NCTSR is not liable for participants' medical expenses incurred during the program.
- Ø Participants will be required to settle additional bills directly with the hotel, such as those for family members, laundry, telephone, minibar, room service, and overstay, before checking out.
- Ø Successful participants will receive a Certificate of Participation upon program completion.
- Ø The participants shall be awarded Certificate of Participation on successful completion of programme.
- Ø An optional Business Class airfare add-on is available upon request for an extra charge of INR 1,96,000.000.

The Council strongly encourages potential participants and their respective management teams to proactively communicate in advance. You can specify any specific issues or areas of concern that you would like to see covered in the course materials or addressed during the study tour. These suggestions should naturally align with the scope and focus of the program's subject matter. Your input will greatly contribute to tailoring the content to your needs and ensuring a more effective and relevant learning experience.

Payment

Upon receiving confirmation of your nomination, we kindly request that you proceed with making the payment in advance.
