Subject: Inviting TECHNICAL PAPERS, PERSONAL EXPERIENCES, CASE STUDIES & RESEARCH PAPERS as well as DELEGATES and SPONSORS for the Contest on the Theme "HSE (Health, Safety & Environment) and Innovation as the Prime Tools for Performance Improvement"

Dear Sir/Madam,

After successfully organizing several national-level events, **Society of Power & Energy Professionals (www.sopep.org)** in association with **Learners & Winners Training & Consultancy Private Limited (www.lwtcpl.com)** now announces **National Seminar on the Theme – "HSE (Health, Safety &**

Environment) and Innovation as the Prime Tools for Performance Improvement” on Saturday, December 9, 2023.

SOPEP invites **TECHNICAL PAPERS, PERSONAL EXPERIENCES, CASE STUDIES&RESEARCH PAPERS** as well as **DELEGATES** and **SPONSORS** for the Contest on the Theme “**HSE (Health, Safety & Environment) and Innovation as the Prime Tools for Performance Improvement”** .

Depending upon the number of shortlisted & presented entries, the Technical Seminar Committee of the host will declare the awards.

Please refer to the attached the seminar brochure for the detailed Submission Guidelines. Also please feel free to call up our office in case you need any further clarification.

All entries, in soft copies (in MS-Word Format only) as per the guidelines in the seminar brochure, shall be sent by E-mail to sopepseminar@gmail.com on or before Thursday, November 30, 2023.

Kindly note the following important dates –

- **Last Date of Entry Submission: Thursday, November 30, 2023**
- **Last Date of Payment: Tuesday, December 5, 2023**
- **Last Date of PPT Submission: Tuesday, December 7, 2023**

Also inviting DELEGATES, YOUR PATRONAGE, ACTIVE SUPPORT, and SPONSORSHIP for the seminar.

All the authors and presenters must register themselves as paid presenters.

We look forward to an early response from you.

Contact Us - +91-9167484363, +91-9224364055

Kind Regards,

Society of Power & Energy Professionals (SOPEP)

Technical Paper, Case Study, Experience Sharing, and Research Paper Contest 2023:

Inviting TECHNICAL PAPERS, CASE STUDIES, PERSONAL EXPERIENCES, and RESEARCH PAPERS from industries as well as academia across the country and overseas based on the Seminar Theme "HSE (Health, Safety & Environment) and Innovation as the Prime Tools for Performance Improvement".

Although it is expected that all entries shall match the conference theme yet based on varied industrial experiences and educational backgrounds, the author(s) may exercise the freedom to choose any one of the following sub-themes:

- HSE Strategy Roadmap for Business Excellence
- Sustainable Business Performance through Energy Conservation
- Safety Performance Improvement through Employee Engagement
- Learning & Development as a Driver for Safety Performance Enhancement
- "Solid Waste Management" – A challenge for modern industries
- Role of AI and IoT in Innovation and in the new age Industrial era
- Adoption of current trends of Innovation & incubation in the industrial sector

Depending upon the number of shortlisted & presented entries, the Technical Conference Committee of the host will declare the awards.

All Case Studies and Experiences shall –

- **have a Title, Author'(s) Name(s), Designation, Organisation and contact details**
- be in English, neatly typed in Font 'Arial' and Font Size 11, not exceeding 3000 words
- not exceed six A4 size pages including Photographs, Graphs, Sketches etc.
- be sent by E-mail (in **MS-Word format only**; any other form will not be accepted)
- be original work of the author(s) based on their own experiences
- be forwarded to the host well before the mentioned last date of submission as entry.

Participate, Contribute, and Learn from Industry Peers & Experts

Evaluation

- All entries will be evaluated at various stages by a team of professionals
- **Preliminary Evaluation:** Technical team of the host will scrutinize the entries and give them marks based on certain criteria
- **Final Evaluation:** The author(s) will be allowed to present their technical papers, case studies, personal experiences and research papers during the event. The presentations will be scored based on the following criteria -
 - 25% for the fit of the topic with the theme
 - 25% for the quality of the contents presented
 - 25% for the applicability of the topic
 - 25% for the presentation style of the presenter

• **Final evaluation will not be done if contestant fee is found pending**

• **The author(s) shall have to register themselves as paid contestants and present their papers preferably personally.**

Registration Fee – Indian Presenters: ₹ 15,000 per person; Overseas Presenters: ₹ 20,000 per person

Any government tax / levy would be applicable as extra

- Each presentation will be approximately of twenty minutes duration. (Actual time for the presentation will be announced at the time of the event, if required)
- Presenters may use PPT, Video Clips, or any other form of computer aided presentation
- **All presenters shall submit their presentations in PPT form, Video Clips, or any other displays during presentation to the host by email at least 2 days prior to the commencement of the event**
- The host reserves the right to select articles, which are of the requisite standard and in line with the seminar theme
- In case of award being granted for any technical paper, case study and research paper, only author's details will appear on the awards and certificates. The Managing Council of the host deserves the right to refrain to issue awards and certificates in any other name(s). In case of substitution, the delegate will be issued the 'Certificate of Participation' only.
- Decision of the Awards Committee will be final and binding to all contestants.

Please Note: SOPEP and its partner Learners & Winners are cumulatively referred to as host in this entire document.

General Rules and Guidelines applicable to the Contest are:

- The entry should be an original work of the entrant and should not be a copy (either in full or part) of any other publication
- The entries will be evaluated by the Technical Conference Committee
- The decision of the Committee in respect to award etc. will be final and binding to all concerned
- All entries are the property of the host and also copyright of the submitted items will rest with host and they will have the right to make use of them in a manner deemed fit
- **All entries sent should be in MS-Word format only and should not contain any header or footer of the participating organisation**
- Entries received after the closing date or not meeting the conditions specified will be rejected
- **The author(s) of the shortlisted entries and/or their representatives & companions have to register themselves as paid contestants** and remain present personally during the course of the event
- **The authors and their representatives & companions have to register themselves as paid contestants and register online by clicking here**
- Authors shall avoid plagiarism. The host will not be responsible for any plagiarism found. Plagiarism shall lead to disqualification
- The Technical Seminar Committee of the host deserves the right to refrain to issue awards and certificates in any other name(s). This clause is also effective for issuing 'Certificate of Participation'
- All decisions made by the Technical Seminar Committee shall be binding to all contestants. Requests for reconsideration of the decisions made shall not be entertained
- All the Technical Papers, Case Studies, Experiences Shared and Research Papers shall match with the event theme
- All entries for the Technical Paper, Case Study, Experience Sharing and Research Paper Contest, in **MS-Word form** (by E-mail: sopepseminar@gmail.com) must reach to us on or before **Thursday, November 30, 2023**. Depending upon the number of short-listed & presented entries, the host will declare the awards.
