Dear Sir/Madam,

Greetings from C-DAC & STQC Directorate!!!

To create wide-scale awareness on “**e-Governance Standards & Guidelines**” among ICT&E (including Developers, Service & Solution Providers and Implementers, etc. from Government, Industry, Academia and various Agencies involved in e-Governance applications), a **02 days State Level Awareness Workshop, Capacity Building and Training is being conducted by C-DAC and STQC Directorate under the aegis of Ministry of Electronics & Information Technology (MeitY), Government of India (GoI) from 14th to 15th February, 2025 (Friday & Saturday) in Jodhpur, for the state of Rajasthan.**

The eminent speakers & experts from the Government, Academia and Industry shall enlighten the participants on the *MeitY's notified e-Governance Standards, Guidelines and Frameworks* to build an understanding on usage of standards and its adherence to ensure seamless sharing of information and interoperability of data across e-Governance applications in India; and to promote the usage of open standards to avoid technology & vendor lock-ins.

The Awareness workshop would include the expert talks, presentations, discussions, Q & A on some of the selective topics as mentioned below:

- India Enterprise Architecture (IndEA 1.0) Framework
- Digital Service Standards (DSS)
- Mobile Governance Standards
- Implementation guidelines for the Open API Platform
- e-Pramaan (Authentication) Standards
- Localisation and Language Technology Standard
- Biometric Standards (Iris/Fingerprint/Face)
- Metadata and Data Standards (MDDS)
- Information Security and Open Web Application Security Project (OWASP), etc

In this context, we cordially invite you to participate in this Two Days State Level Awareness Workshop and/or to nominate senior officers from your organization to attend this Workshop.
